

OCEAN MEADOW  
— MEMORY CARE —

Exceptional Boutique  
Memory Support on the Shoreline

# EXCEPTIONAL *surroundings*

**Ocean Meadow is a specialized, boutique style memory support community** located in the heart of downtown Clinton. Our small, homelike atmosphere fosters close-knit relationships between team members, residents, and their families. Open communication and specialized, compassionate care will always be our goal.

Our community is fully secured and safe inside and out. Residents are encouraged to explore and move about to enjoy our covered patios, porch rocking chairs, gardens, and thoughtfully designed dining rooms.

With only 46 apartment homes, Ocean Meadow is one of the smallest privately owned memory care communities in Connecticut. This means you and your family will always be valued and heard. The camaraderie at Ocean Meadow is truly unmatched!

# *oundings*

## ***A Passionate, Tenured Team***

Ocean Meadow provides the highest level of care, with 24-hour onsite nursing and the ability to cater to late-stage Alzheimer's, dementia, and cognitive impairments. Your loved one is cared for by a tenured team that approaches care with sincere thoughtfulness. Many team members have been with the community 5-10 years, and our Executive Director has been at the helm for over 15 years.

## ***Exceptional Care***

- 24/7 on site nursing care
- Highly trained and tenured team of Registered Nurses, Licensed Practical Nurses, and Certified Nursing Assistants
- Visiting Primary Care Physician, as well as specialty care providers. (Dental, Podiatry, Ophthalmology and more)
- Physical, Occupational and Speech Therapy available through trusted 3rd party agencies
- Palliative and Hospice Care available through agency of your choice
- On-site psychiatric evaluation and treatment available for all residents through Connecticut Mental Health Services
- Assistance with all activities of daily living, including bathing, dressing, medication management and more

## *Moments Matter*

Our residents living with dementia benefit from strong, trusting relationships with our specially trained team members. We provide individualized care plans, purpose-driven activities, and exceptional nutrition — all in a secured neighborhood designed to alleviate stress and anxiety. Our focus is simple — quality of life for our residents, and peace of mind for their families.

EXCEPTIONAL  
*memories*

*every support*

Ocean Meadow is a place where residents are masterfully assisted and supported. By promoting physical, mental, and social well-being, we're committed to providing a space where residents can reach their full potential.

## EXCEPTIONAL

# experience

### *Learn*

The intellectual dimension of wellness encourages creative and stimulating mental activities to bring richness to our residents' lives.

### *Be Spiritual*

The spiritual dimension is another key to successful aging. Just as it is crucial to engage the mind and the body, engaging the spirit is critical to ensure resident wellness.

ices

## Give

The power of giving is an essential aspect of resident well-being. Studies show that the act of giving can improve physical and mental health while promoting social connection.

## Be Active

Physical wellness includes all aspects of physical health, including sleep, movement, nutrition, relaxation, and injury and illness management.

## Connect

Connection involves building healthy, nurturing, and supportive relationships.

EXCEPTIONAL

## *Respite Short-Term Stay*

We acknowledge the significance of caregiver burnout, and offer respite stays to provide relief for family caregivers. Seniors who need assistance can stay with us while a caregiver takes a vacation, attends to personal matters, or enjoys a break from caregiving.

Respite residents enjoy the same high-level of care and enjoy participating in activities with our team and residents.
